OUR DONORS

Vital to the success of our mission

Since 1967, the Baptist Health Foundation has operated as a faith-based 501(c)3 that positively impacts the lives of Baptist Health System's affiliated hospitals' patients, families, employees, and communities through compassionate projects and charitable support that meet our criteria.

Operating autonomously and independently from any hospital or healthcare organization, we serve as a healing Christian ministry filling a void in and around the Birmingham metropolitan area for uninsured patients and hospital employees in need.

One hundred percent of the funds we raise are used to provide financial support for qualified patients, continuing education for medical professionals, monetary aid for employees in need, pastoral care for patients and their families, and community-based wellness programs.

Thank You

We extend our deepest gratitude to the following people who made gifts January 1, 2022 through December 31, 2022.
